Rent it Here, Leave it There Service

- Rent it here—leave it there—is a new Hertz service. For a one-way trip between any of the cities listed below, simply rent a clean new Ford Fordomatic or other fine car at one Hertz office, drive it to another and leave it there. You pay a \$10.00 "Inter-city Fee" in California. (Slightly higher for inter-state travel.) For an entire 200-mile trip, for example, the cost will be only \$51.00 (plus "Inter-city Fee")... for 7 full days... or only \$10.20 per person if five ride!
- Hertz low rates include all gasoline, oil... Public Liability, Property Damage, Fire and Theft Insurance, and \$100.00 deductible collision protection—at no extra cost!
- Renting a new Hertz car is simplicity itself! Simply phone the Hertz office nearest you for a car, then show your driver's license and proper identification and drive the car away as if it were your very own.
- Hertz is the largest, oldest, and most reliable automobile rental organization in the world, with these offices at your service on the Pacific Coast...
